Calculate SCORE as the number of "yes" answers to Q.10-12. If SCORE = 3, and the Romantic Relationship Roster does not yet contain 3 people, this partner qualifies to be added to the Romantic Relationship Roster. Delete this person from the Non-Relationship Roster. Go back to S.25 and ask the questions in that section for this partner. Then continue with Q.10 for the next non-relationship partner, if any.

Now, look through the remaining cards, and put them in the order in which they first happened in your relationship with {INITIALS}.
Whatever happened first should be the first card, the thing that happened second should be the second card, and so on. Don't worry if 2 things happened at the same time. Just pick one to put first, and put the other one after it.
When you have put all the cards in the proper order, enter the letters into the computer, just as the interviewer did earlier.

Calculate SCORE as the number of "yes" answers to Q.10-12. If SCORE = 3, and the Romantic Relationship Roster does not yet contain 3 people, this partner qualifies to be added to the Romantic Relationship Roster. Delete this person from the Non-Relationship Roster. Go back to S.25 and ask the questions in that section for this partner. Then continue with Q.10 for the next non-relationship partner, if any.

Now, look through the remaining cards, and put them in the order in which they first happened in your relationship with {INITIALS}.
Whatever happened first should be the first card, the thing that happened second should be the second card, and so on. Don't worry if 2 things happened at the same time. Just pick one to put first, and put the other one after it.
When you have put all the cards in the proper order, enter the letters into the computer, just as the interviewer did earlier.
