Section 25: Relationship Information—Audio CASI

Section 25 collects information about each romantic relationship identified in Section 22 or 23. (If no relationships were identified, this section is skipped.) Information includes beginning and ending dates of the relationship, characteristics of the relationship partner, and activities within the relationship. Security procedures prevent the identification of relationship partners by researchers.

Ask the questions in this section for each person in the Romantic Relationship Roster.

Now we are going to ask you questions about the people you listed earlier as relationship partners.

IMPORTANT: See NOTE at beginning of code book.

Now, look through the remaining cards, and put them in the order in which they first happened in your relationship with {INITIALS}. Whatever happened first should be the first card, the thing that happened second should be the second card, and so on. Don't worry if 2 things happened at the same time. Just pick one to put first, and put the other one after it. When you have put all the cards in the proper order, enter the letters into the computer, just as the interviewer did earlier.
